Math: MAP Testing & Topic 4-1 and 4-2

Reading: Holes CH 1-7 (p. 3-40)

Writing: Ideas: Week 1 & DLR Week 1

Science: Introduction to Classification,

Social Studies: Map Projections, Elements of a Map

1st Newsletter!

It was wonderful to see so many families on Friday for the 6th grade Open House. We would really appreciate any feedback from parents about the Open House/Ice Cream Social, any suggestions would help to make these events better in the future.

For those families that could not make it, I am sending home some paperwork to be returned. One paper is a newsletter preference sheet, only families which specifically request paper copies will receive them. Newsletters will be posted on the class website and sent out via email.

Microwaves

There will not be a microwave in the classroom for use during lunches. I wanted to ensure that parents were aware for lunch logistics purposes.

Nature Walks

Thursday we will be walking to Moose Lake for our weekly nature walk. Usually on Thursdays we will be conducting nature walks in the vicinity of the school in order to provide students with hands on learning experiences in multiple subjects.

Quarter 1 Week 1

Important Dates:

Aug 21 – MAP Testing: Math

Run Club starts
